Whilst our Figtree this month will be very slim, I encourage you to take the time to peruse it and note the dates for this term; also, my thanks to all those who have contributed to its production within a very tight time-frame.

It has been heartening to welcome our students and staff to the new term after the July break. After a very full Term 2, it’s clear that both students and staff have benefitted from the slower pace of the holiday period.

Holiday periods are always opportunities for teachers to work on their teaching programs, marking and lesson plans; however, within our school community, throughout the holiday period, Year 12 teachers conducted workshops and tutorials for their students. With Major Works nearing completion and the Trial HSC exams commencing on Monday, July 21, this work with our students has strong benefits for them. My thanks to teachers for this enormous generosity and commitment; also, to those students who availed themselves of this additional guidance, my commendation.

Additional to our whole school welcome assembly on the first day of term, Mr Gane and Ms Slavica took the opportunity to speak to all Year 12 students to acknowledge the significance of this term for them and encourage focus, full attendance and daily commitment. Our year 12 students have been, and are, impressive school leaders and I’m confident this will be the way in which they will complete their education at Hunters Hill High School during their Trial HSC and throughout the remainder of this final term.

It is commendable that so many parents attended our recent Parent Teacher Evenings: Years 7 and 8 (June 24); Years 9 and 10 (July 17). Hopefully, these evenings, together with student reports, provide comprehensive communication about your child’s engagement with their learning. I encourage you, as this second semester begins, if further information is required, please make contact with your child’s teachers or the relevant Head Teacher.

I’m sure you are aware of the many and varied contributions that our P&C makes to our school and students. The P&C’s big fundraiser this year is the Comedy Dinner on Saturday, August 9. Teachers have organised two staff tables so far, so I hope this encourages parents to speak with friends and come along and support your P&C and your children’s school. Details are included in this newsletter.

The first P&C Meeting for this term is on Monday, July 21 at 7.30pm in the Staff Common Room. This month, Josh Gane and Michael Walkom will represent me at the meeting. ‘Building Success in HSC English’ will be the workshop for this month’s meeting. Whilst emphasising students’ HSC year, this workshop will also highlight the way in which building HSC success commences in students’ junior secondary years.

My best wishes for a positive and productive term.

Until next Figtree
J M Felton
Principal
The Events Committee has been busy organising a fantastic night on Saturday 9 August 2014 – A Comedy Dinner & Dance. It will be held in the Phil Daniels Pavilion from 6.30 pm to 11 pm and will feature professional comedians, a live band, a 3 course catered Italian meal and cake....!!! This is a great opportunity to socialise with other parents and staff, as well as support fundraising for further educational resources for our children (including resources for the numeracy centre). We hope you can all attend.

Tickets can be obtained from www.trybooking.com/FAWM You can make up a table of your own or you may want to join a year group table. Please direct any queries to the P & C Events Coordinator Anthea Murray at email address: hhhh.events@gmail.com

The next P & C meeting is on Monday 21 July at 7.30 pm in the Staff Common Room. There will be a presentation on Building HSC Success in English. All parents are most welcome to attend.

Deborah Slack
President, Hunters Hill High School P & C Association 2014

Welcome to our new students:

Year 7    Anna Kovaleva
Year 8    Ester Quan, Meg Dortmans
Year 10   Magdalena Hilbich, Tianqi An, Haoyu Jin, Zichen Qiu, Yichen Zhu, Alimire Abudukelimu
Year 11   Pauline Gierke, Arianna Guidolin, Eleonora Censolo, Enrico Ortolani, Nicola Stagnati

As you know, the school has invoiced families for their School and Subject Contributions as well as Tuesday Sport costs. We appreciate those who have paid these contributions in a timely manner. If there are financial reasons that require a time payment, please write to the Principal and mark your correspondence confidential.

For all enrolment enquiries please contact the Enrolment Officer on 9817 4565
Congratulations to the following Hunters Hill High students on their exemplary achievements:
Astrid Kingsmill and Ky Jackson

**Astrid Kingsmill** . . . 13 Year old Astrid Kingsmill is a Year 7 student who has shone above all and has excelled in both Athletics and Cross-Country Carnivals in 2014.

Astrid was crowned Age Champion for both the School and Zone Athletics and Cross Country Carnivals which were held in Term 2. Astrid also went on to win the Regional Cross Country Carnival which was held at Gosford Race Course where she competed against over 200 students in her age group.

Astrid competed Friday at the State Cross Country Carnival at Randwick Raceway, and next week in the Regional Athletics Carnival.

We wish her all the best in both events and can’t wait to hear how she goes.

**Ky Jackson** . . . The Cal Ripken World Series of Baseball will be held from the 8-16th of August in Aberdeen, Maryland, USA. The 15th annual Cal Ripken World Series consists of ten US teams and eight International teams. Baseball Australia will be sending 15 players, including Ky Jackson to participate in this event.

This will be the 15th time Australia has participated in the Cal Ripken World Series, and they are ready to take on Team Japan who are currently the three-time defending CRWS champions.

The team will play their first game on August 9th against Mexico.

Good luck to Ky, we hope he plays well and his team is successful.

---

**HUNTERS HILL HIGH SCHOOL UNIFORM SHOP**

The uniform shop, located on the 1st floor of K BLOCK, is open each Tuesday and Thursday morning during school terms, between 8.00 am & 9.00 am. The school uniform shop is managed and staffed by volunteer parents from the P&C Association.

The school is always grateful to accept donations of second-hand uniforms. Further enquiries may be directed by email to uniformshhhs@gmail.com or to Mrs Christine Trainor on 0416 173 701.
Volunteering Update

2014 Volunteer Recognition Awards

Abby Rhodes was nominated as a Young Nominee for the 2014 Volunteer Recognition Awards. Abby and her family attended the Volunteer Recognition Awards’ evening at Ryde Civic Hall where she was presented with a certificate by Mayor CLR Roy Maggio.

Abby is a passionate volunteer who participates in every volunteer activity available. In the past two years, she has collected money for Legacy’s “Poppy Day”, taught seniors how to use Ipads at Gladesville Library, acted as a writer for other students during exams and coached a sports team.

Congratulations Abby!

Ria Lenard
Volunteer Co-ordinator

Fundraising at Lane Cove Plaza

Parents and students of Hunters Hill High School assisted in selling tickets for the P&C fundraising raffle at Lane Cove Plaza.

The raffle ticket selling at Lane Cove Plaza was very successful.

Several parents, students and siblings gave up their Saturday to support the school. Thank you to all who assisted. HHHS Students included: Ben Murray, Royce Carnelutti, Hannah Wells, Huon Kirkman, Beau & Jasper Garske, Blake Goss, Sebastian Davies and Astrid Kingsmill.

2013 MOOCOOBOOLA
Parents, the 2013 Moocooboola magazine is now available from reception. No cost to parents who have paid 2013 school or subject contributions, $10 to those who have not.
Science

Year 7’s first excursion was to Taronga Zoo. At Taronga Zoo we collected information for our Science/ Maths assignment “To Zoo or Not To Zoo”. Year 7 thoroughly enjoyed the excursion and gained a lot of knowledge about the treatment of animals in zoos.

At the zoo year 7 walked around in two groups and looked at elephants, lemurs, seals and tigers. We looked at some endangered species. One example was the Californian Lion Seal which is endangered because of over fishing. With our group we discussed the size of the enclosures and observed the animal’s behaviour. Whilst many animals looked bored, the gorillas stood out as being frustrated and unhappy.

After lunch we were allowed to walk around with friends and observe other animals at the zoo.

Taronga Zoo was a great experience and year 7 gained knowledge about animals whilst having fun. At the end of the day we all had different opinions on our science topic “To Zoo or Not To Zoo”.

By: Astrid, Isabella and Yancy
Industrial Arts

Industrial Technology Furniture - Friday 1st August

The Industrial Arts Department has set a due date for all major works to be Friday 1st August. This will enable all students to present their work prior to the Board of Studies due date of Thursday 7th of August. Students will be able to make minor adjustments, apply finishes and structure portfolios over the week leading into the 7th August. Mr Wilson has kindly opened the workshop on weekends and after school. I suggest all students make a conscious effort to be present in class at all times and to take advantage of the extra access to the workshop.

Design and Technology - Thursday 21st August

The Industrial Arts Department has set a due date for all major works to be Monday 18th August. This will enable all students to present their work prior to the Board of Studies due date of Thursday 21st of August. Students will be able to make minor adjustments, apply finishes and structure portfolios over the week leading into the 21st August.

If you have any questions please contact me via the school.

Mr Pickles
Head Teacher TAS Department

PDHPH

Well, what a day! Congratulations to Hunters Hill High on another outstanding performance in the 2014 Annual Zone Athletics Carnival. This year the Zone Athletics Carnival was once again held at the Sydney Olympic Park Athletics Centre. I was extremely excited and impressed with the fantastic attendance and sportsmanship of the 104 students representing Hunters Hill High School.

There were some fantastic achievements on the day with a number of records being broken. The highlight of the day was the Age/Gender Relay teams. Hunters Hill High entered a team in each age group and was placed in the top 3 for all age groups. A big congratulations to our 16 and 17 Year Old Girls who won their age groups. Congratulations to all the students who attended competed and broke personal best records on the day.

The top two students from each gender and age group successful in each event have made it through to compete at the Regional Athletics Carnival. The 2014 Regional Athletics Carnival will be held on Monday 21st and Tuesday 22ndWednesday at the Sydney Olympic Park (Athletics Centre) Spectators are more than welcome to attend on the day. Good luck to all students competing.

Congratulations to the following students who were crowned age champions on the day:
13 Year Girls – Astrid Kingsmill
18 Year Girls – Amber Yee

Ms Woolford
Grade Sport
How many people dream of winning lotto? Is it a realistic dream? Today we shall have a look at the mathematics of lotto to determine the real odds of winning. Probability and Chance are part of the NSW curriculum from Stage 1 to Stage 6 (Kindergarten to Year 12) and students learn how to calculate the likelihood of an event occurring. An understanding of probability theory is essential for an understanding of risk, so that students are able to make informed decisions in life. Probability is associated with many diverse fields including business, insurance, weather, medicine, genetics, sports and gambling to name a few.

The mathematical study of Probability had its origins in the 16th Century when French Mathematicians Blaise Pascal and Pierre de Fermat were asked by French nobleman Chevalier de Méré to help solve a gambling question. Today, an understanding of risks in gambling is still relevant.

In Lotto, we choose 6 numbers out of a possible 45, and depending on how many of ‘our’ numbers are correct, we have the opportunity of winning a prize. Division 1, the major prize, means all 6 of our chosen numbers are correct.

The probability of an event occurring is defined as the number of favourable events divided by the total number of events. If we apply this to Lotto, this means that the probability is equal to one (our choice of 6 numbers) divided by the number of different arrangements of 6 numbers out of a possible 45. In Mathematics we can use a formula to determine the number of possible arrangements, this is called the Combination formula. Combination is defined as the number of selections of r different items out of a total of n items, when order is not important. In Lotto, the order that our numbers are selected is not important.

The formula is

\[ nC_r = \frac{n!}{r!(n-r)!} \]

In lotto

\[ 45C_{6r} = \frac{45!}{6!(45-6)!} \]

The exclamation mark means factorial, for example, 6! = 6x5x4x3x2x1

This gives us the total number of combinations as 8 145 060. Hence the probability of correctly choosing all 6 winning numbers in Lotto is 1 in 8 145 060. If you play one game per week, you have a chance of winning once every 8 million weeks.

In the words of K. Hubbard, the American cartoonist, humorist and journalist “The safest way to double your money is to fold it over once and put it in your pocket”.

Susan Turnbull
Head Teacher Mathematics
The library has been a hive of activity this year. Along with teachers and students utilising the space for research activity, we have an increasing number of students using the facilities on offer.

We have made displays, such as on Shakespeare, Dystopian fiction, The Medieval Period and even a soccer World Cup display to encourage students to engage with particular authors, themes and genres. We have created a themed reading space as well.

We have encouraged the Premiers Reading Challenge, with all of year 7 participating. We have recently bought a range of novels including graphic fiction, based on a wish list of students and staff.

A chess club has been introduced with about a dozen signed up students. The chess tournament has 26 participants in a Junior and Senior Competition. It has been very successful and I hope to have another in 4th term. We are down to the nail biting finals and will announce the results in the next report.

Book week this year is from 16th of August till the 22nd of August. The theme is ‘connect to reading, reading to connect’. Connect to reading is about enjoying the experience of exploring story, and travelling to other worlds. The reflected slogan, reading to connect, has a broader social meaning, suggesting that reading assists in creating a bond with others. Within the world of the contemporary child, this is also relevant as they read books and they read to connect through a variety of media. We will be having a variety of activities in the library during book week to celebrate the annual event.

I encourage all staff and students to come and see what is going on in the library and help us keep improving as a teaching and learning space.

Bruce Stewart
Teacher Librarian

FROM THE WEBSITE

Too Sick To Go To School?

Sometimes it’s hard to know if your child is really coming down with something or just suffering a bout of Mondayitis. For safety’s sake, if your child is unwell you should always keep them home from school, seek medical advice and advise the school of your child’s absence. However, if they miraculously recover by 11:00am, ready to race around the backyard, keeping them in bed all day may send the message that staying home isn’t nearly as much fun as going to school.

The School A to Z website’s Too Sick For School? chart will help answer your questions about common childhood illness and how long sick kids need to miss school. Find more parent tips on the School A to Z website www.schoolatoz.nsw.edu.au

PLEASE NOTE: This information has been supplied by NSW Health and is not intended to replace a visit to your doctor if anyone in your family is unwell.

Notice of a student absence can be made via a text message to 0423 836 462. Please include student’s full name, roll class and reason for absence. Please limit your message to 160 characters.
**HUNTERS HILL HIGH CHESS CLUB**

When? Every Tuesday Recess  
Where? Upstairs in the Library  
Who? Everyone welcome!  

Why Join the Chess Club?  
• Chess is easy to learn.  
• Chess develops memory.  
• Chess improves focus and concentration.  
• Chess builds self-esteem and self-confidence.  

Did you know?  
• 315 billion combinations exist for just the first four moves of a chess game.  
• Chess is called the game of kings, because for many centuries it was played primarily by nobility and the upper classes.
BEYOND THE BELL

For ESL

Mondays from 3:15pm – 4:15pm
in the Library

“Beyond the Bell” provides a positive study environment for students and promotes effective time management and organisation.

All International students are welcome to attend!
This homework club is run and supervised by Hunters Hill High School teachers… and is FREE to Hunters Hill High School students.

We’re fundraising with entertainment

Pre-order your Entertainment™ Membership online and receive over $240 in bonus offers!

Entertainment™ Memberships are packed with hundreds of up to 50% off and 2-for-1 offers for the best local restaurants, cafes, attractions, hotel accommodation, travel and much more!

Available as a traditional Entertainment™ Book or the new Entertainment™ Digital Membership for your Apple or Android device, your Membership gives you over $20,000 worth of valuable offers valid through to 1 June 2015!
